

MEET THE NEED 2026 ROOTED IN CONNECTION

In collaboration with South Carolina DSS, Meet the Need 2026 is about cultivating a culture of care across South Carolina—equipping adoptive families with trauma-informed tools while strengthening the network of professionals and organizations who support them. Rooted in the principles of Trust-Based Relational Intervention®, this gathering brings families and professionals together to grow connected communities where healing can take root and adoptive families can flourish.

KEYNOTE SPEAKERS

BARB CLARK
TBRI® PRACTITIONER

ADAM ANTHONY, ED.D

DAREN JONES, PHD
TBRI® PRACTITIONER

EARN UP TO 9 TOTAL TRAINING HOURS FOR BOTH DAYS!

SCDSS permanency employees, and pre and post adoptive families will receive free admission. Please reach out to your Flourishing Families contact, your case worker or regional supervisor for more information.

Adoptive families may be eligible to be reimbursed for 1 night lodging through SBMA funds. (If they are pre-adopt agreements in place and TPR has not occurred or TPR has been appealed SBMA funds cannot be accessed as it requires the child to be legally free for adoption).
